

GOVERNMENT E-MARKETPLACE (GeM)

MOCK E-TENDER DOCUMENT

Tender No.: GeM/2026/B/110
Procurement of Enterprise Network & Cybersecurity Equipment

Tender Reference	GeM/2026/B/110
Procuring Organisation	National Digital Infrastructure Services (NDIS)
Tender Title	Supply, Installation and Commissioning of Enterprise Network & Cybersecurity Equipment
Tender Type	Open Tender — Goods
Bid Submission Mode	Online
Bid Validity	90 days from the bid submission deadline
Estimated Tender Value	INR 1,20,00,000
Earnest Money Deposit (EMD)	INR 2,00,000
Delivery / Completion Period	Within 60 calendar days from purchase order
Place of Delivery	NDIS Central Procurement Store, Pune, Maharashtra

Important Note

This document is a synthetic mock tender created for testing the BidSure AI tender-upload, requirement-extraction, compliance-rule, evidence and dashboard workflows. It does not represent an actual GeM procurement.

Tender Schedule

Activity	Date / Time
Tender publication	10 September 2026, 10:00 AM
Pre-bid clarification deadline	16 September 2026, 05:00 PM
Bid submission deadline	25 September 2026, 05:00 PM
Technical bid opening	28 September 2026, 11:00 AM
Commercial bid opening	To be notified to technically qualified bidders

1. Scope of Procurement

The Procuring Organisation intends to procure, supply, install, configure and commission enterprise network and cybersecurity equipment for a government data-centre expansion project. The selected bidder shall provide equipment, accessories, licences, installation support, documentation, testing and warranty services as specified in this tender.

1.1 Bill of Quantities

Item	Description	Qty	Unit
1	Next-generation firewall appliance, enterprise grade	2	Nos.
2	48-port managed Layer-3 network switch	8	Nos.
3	10 Gbps SFP+ optical transceiver	32	Nos.
4	Rack-mounted network management appliance	2	Nos.
5	Centralised network monitoring software licence — 3 years	1	Lot
6	Installation, configuration, testing and commissioning	1	Lot

1.2 Technical Specifications

Parameter	Minimum Requirement
Firewall throughput	Minimum 20 Gbps
Concurrent sessions	Minimum 2 million
Network switch switching capacity	Minimum 176 Gbps
Uplink interfaces	Minimum 4 × 10 Gbps SFP+
Management	Web interface, CLI and SNMPv3
Security features	VLAN, ACL, IPS/IDS integration, secure management
Warranty	Minimum 3 years comprehensive onsite warranty
Installation	Supply, rack installation, configuration, testing and commissioning

2. Eligibility and Qualification Requirements

Bidders shall satisfy all mandatory eligibility conditions below. Supporting evidence must be uploaded with the bid. Where a requirement is marked Mandatory, failure to provide acceptable evidence may result in the bid being treated as non-compliant, subject to procurement rules and officer review.

ID	Requirement	Condition	Evidence Required	Status
EL-01	GST Registration	Valid GST registration is mandatory.	GST Registration Certificate	Mandatory
EL-02	PAN	Valid PAN in bidder's legal name is mandatory.	PAN card / PAN certificate	Mandatory
EL-03	Udyam Registration	Valid Udyam/MSME registration is mandatory.	Udyam Registration Certificate	Mandatory
EL-04	OEM Authorization	OEM authorization for offered equipment is mandatory.	Signed OEM Authorization Letter	Mandatory
EL-05	Local Content	Minimum 50% local content is required.	Make in India / Local Content Declaration	Mandatory
EL-06	Average Annual Turnover	Minimum average annual turnover of INR 5 crore during the last 3 financial years.	Audited financial statements / CA certificate	Mandatory
EL-07	Experience	Minimum 3 years of relevant supply/implementation experience.	Work orders / completion certificates	Mandatory
EL-08	Blacklisting / Debarment	Bidder must not be blacklisted or debarred by a competent authority as on bid submission date.	Self-declaration	Mandatory
EL-09	Bid Validity	Offer must remain valid for at least 90 days.	Signed bid declaration	Mandatory
EL-10	EMD	EMD of INR 2,00,000 must be submitted unless a valid exemption certificate is provided.	EMD or exemption certificate	Mandatory

3. Financial Criteria

The bidder shall demonstrate an average annual turnover of not less than INR 5,00,00,000 (Rupees Five Crore only) across the financial years 2023-24, 2024-25 and 2025-26. The turnover must be supported by audited financial statements or a certificate issued by a qualified Chartered Accountant.

The bidder shall quote all prices in Indian Rupees (INR). The quoted price shall include supply, installation, configuration, testing, commissioning, applicable duties, freight and all other costs required for successful completion, except taxes explicitly identified in the financial bid.

4. Mandatory Bid Documents

Document ID	Document	Mandatory
DOC-01	GST Registration Certificate	Yes
DOC-02	PAN Card / PAN Certificate	Yes
DOC-03	Udyam Registration Certificate	Yes
DOC-04	OEM Authorization Letter	Yes
DOC-05	Make in India / Local Content Declaration	Yes
DOC-06	Audited Financial Statements / CA Turnover Certificate	Yes
DOC-07	Relevant Work Orders / Completion Certificates	Yes
DOC-08	Blacklisting and Debarment Declaration	Yes
DOC-09	EMD Proof or Valid Exemption Certificate	Yes
DOC-10	Technical Compliance Statement	Yes
DOC-11	Bid Validity Declaration	Yes
DOC-12	OEM Product Datasheets	Yes

5. Local Content Requirement

The offered products and services shall comply with a minimum local content of 50%. The bidder shall submit a signed declaration specifying the calculated local content percentage and the basis of calculation. The declared value must be consistent with the technical and commercial submission.

6. Delivery, Installation and Warranty

The complete order shall be delivered and commissioned within 60 calendar days from the date of the purchase order. The bidder shall provide a minimum three-year comprehensive onsite warranty. Installation shall include rack mounting, configuration, integration, testing and submission of commissioning documentation.

7. Bid Evaluation

Evaluation will be carried out in stages: (1) preliminary document and eligibility check, (2) technical compliance evaluation, and (3) commercial evaluation of technically qualified bids. The procuring authority may seek clarification where permitted. A clarification request does not automatically cure a material failure to satisfy a mandatory condition.

8. Compliance and Verification Matrix

The following matrix is intentionally explicit to support automated tender-requirement extraction and deterministic compliance testing.

Requirement	Operator / Condition	Expected Evidence	Risk if Failed
GST registration	Must be valid	GST certificate	High
PAN	Must exist and match legal entity	PAN certificate	High
Udyam registration	Must be valid	Udyam certificate	High
OEM authorization	Must be present for offered equipment	OEM letter	High
Local content	>= 50%	Local content declaration	High
Average annual turnover	>= INR 5 crore	Audited statements / CA certificate	High
Relevant experience	>= 3 years	Work orders / completion certificates	High
Blacklisting/debarment	Must be false / no active debarment	Signed declaration	Critical
Bid validity	>= 90 days	Bid declaration	Medium
EMD	INR 2,00,000 or valid exemption	EMD proof / exemption	High
Firewall throughput	>= 20 Gbps	Technical datasheet	High
Switching capacity	>= 176 Gbps	Technical datasheet	Medium
Warranty	>= 3 years	OEM/bidder warranty statement	Medium
Delivery period	<= 60 calendar days	Delivery commitment	Medium

9. Declarations

The bidder shall certify that: (a) all submitted documents are genuine and current; (b) the bidder has not been blacklisted or debarred by a competent authority as of the bid submission date; (c) the information submitted in the bid is complete and accurate; (d) the bidder accepts the delivery, warranty and technical conditions; and (e) the bidder will cooperate with verification of submitted evidence where required.

10. Procurement Officer Decision

Automated verification or compliance scoring, including any AI-generated recommendation, shall be treated as decision-support information. The final decision to qualify, disqualify, seek clarification, or take any other procurement action shall remain with the authorised Procurement Officer in accordance with applicable procurement rules.

END OF MOCK TENDER — GeM/2026/B/110

Synthetic document prepared for BidSure AI testing.
